COMMUNITY RESOURCE GUIDE

This resource guide contains listings both HUD-certified and non-HUD community agencies.

When seeking a loan modification through the U.S. Treasury's Home Affordable Modification Program, please note only HUD-certified counseling is accepted toward qualification requirements.

Non-HUD counseling will not qualify a homeowner for the program. Non-HUD certified agencies have been included in this guide for information purposes only.

Counseling requirements may vary for other types of modifications, including but not limited to modifications provided by commercial lenders.
